

# Voices of Migrants

Join us to learn about migrants  
who seek a better future.

The Refugee Support Team of Nauset Interfaith Association is excited to offer this series, with speakers from the largest groups of migrants who live with us on Cape Cod. The stories of immigrants provide us with an opportunity to increase our understanding of the immigration process and its challenges. Let's hear and appreciate their unique experiences and journeys! Please join us to learn:

- ❖ Why they chose to flee their countries
- ❖ How they journeyed to the USA.
- ❖ Their experience of the immigration process
- ❖ How we can be a more welcoming and helpful community.
